

# Yellow

Coldplay

Look at the stars, look how they shine for you  
And everything you do yeah they were all yellow  
I came along, I wrote a song for you  
And all the things that you do. It was called Yellow

So then I took my turn  
oh what a thing to have done  
and it was all yellow

R: Your skin oh yeah your skin and bones  
Turn into something beautiful  
And you know you know I love you so  
You know I love you so

I swam across, I jumped across for you  
Oh what a thing to do cause you were all yellow  
I drew a line I drew line for you  
Oh what a thing to do and it was all yellow

R: Your skin oh yeah your skin and bones  
Turn into something beautiful  
And you know for you I'd bleed myself dry  
for you I'd bleed myself dry

It true look how they shine for you  
look how they shine for you  
look how they shine for you  
look how they shine for you

Look at the stars, look how they shine for you  
And everything you do...
