

Yes

Coldplay

When it started we had hopes
Now my back's on the line
my back's on the ropes

When it started we were alright
But night makes a fool of us in daylight

Yeah we were dying of frustration
saying "Lord lead me not into temptation"

But it's not easy when she turns you on
Since they gone (???)

If you'll only, if you'll only say yes
Whether you will's anybody's guess

God, only God knows I'm trying my best
But I'm so tired of this loneliness

(Hey!)

So, up they picked me by the big toe (???)
I was held from the rooftop then they let go

There's only screaming
let the windows down
as I come to the ground

If you'll only, if you'll only say yes
Whether you will's anybody's guess

God, only God knows she won't let me rest
but I'm just so tired of this loneliness
I've become so tired of this loneliness
