

Adrenaline

coldrain

My heart keeps racing
Now I'm out of breath and suffocating
I'm suffocating
But ever since you caught my eye
I feel like air is so out of date
And I can't stop this blood from boiling
Take me faster 3, 2, 1 let's go

Adrenaline in my veins I feel no pain
Adrenaline in my head she takes me to
A better place I've never been

We're chasing red bulls after taking shots it's 3 AM
It's 3 AM
I hope there's someone sane in this joint
I can't tell if I'm up or down
And I can't stop this endless madness
Take me faster 3, 2, 1 let's go

Adrenaline in my veins I feel no pain
Adrenaline in my head she takes me to
A better place I've never been

Oh she takes me high, she takes me high
Oh and I can't come down, I can't come down anymore

Adrenaline in my veins I feel no pain
Adrenaline in my head she takes me to
A better place

Adrenaline in my veins I feel no pain
Adrenaline in my head she takes me to
A better place I've never been
