

## Fiction

coldrain

She'd do just anything  
To get what she desires  
But all she really wants  
Are the things that she can see  
The inside of her heart is so dark

Fiction  
You live inside a world where you are loved  
But sooner or later you start to fall down  
Fiction  
You've told so many lies the truth has died  
And sooner or later you'll be figured out  
You're such a fake... I can't relate

Her relationship are fake  
Seeming friends mean shit  
And she'd use just anyone  
To please her self-esteem  
The inside of hear heart is so dark

Soon you will be all alone  
With no one to catch you fall  
I hope some day you find yourself  
Come awake, just come awake
