

# They Crawl Inside Me Uninvited

Coldworker

Mass indoctrination, I am enslaved  
Their sanctuary is my grave  
Mind configuration, to fit the mold  
Warm blood traded for cold

They crawl inside me uninvited  
To feed on me  
They crawl inside me uninvited  
Like hungry worms

No consideration, their mind is set  
Sweep the waters with their net  
Effective suffocation, all life is drained  
They believe in purity through pain

Altered state, altered mind  
They burn my eyes 'til I'm blind  
Altered state of my mind  
I am raped by the divine

They crawl inside me uninvited  
To feed on me  
They crawl inside me uninvited  
Like hungry worms

Mass indoctrination, I am enslaved  
Their sanctuary is my grave  
Mind configuration, to fit the mold  
Warm blood traded for cold

Altered state, altered mind  
They burn my eyes 'til I'm blind  
Altered state of my mind  
I am raped by the divine
