

# Workin On Me

Cole Swindell

Its the way that you move when a song plays  
That smile when you brush ya hair away  
The things that you do when you don't say  
Keep working on me

Its the way that you walk when you walk by  
The way that ya come off a little shy  
The way your all up in my mind  
where you outta be

and it just keeps

Working on me don't know if you know it  
Everything you do just gets me going  
Baby, your driving me crazy  
You got my head spinning like a vinyl record  
Gets me every time your doin whatever  
Your doing to me  
Girl cant you see  
Its working on me

All that it takes is a little touch  
There you go making my heart rush  
Its got to be more than a little crush  
When I can barely breathe  
You better believe

Its working on me don't know if you know it  
Everything you do just gets me going  
Baby, your driving me crazy  
You got my head spinning like a vinyl record  
Gets me every time your doin whatever  
Your doing to me  
Girl cant you see, its workin on me

Look what you done now  
Cant go back  
To far gone now  
Keep it coming  
Cause girl i just cant get enough, cant get enough

Yeah, you got my head spinning like a vinyl record  
Gets me every time your doin whatever  
Your doing to me  
Girl cant you see  
Its workin on me

mmhhhhmmmmmm

Keep on working on me
