

# I Don't Know Why

Colin Hay

I don't know why  
Why you had to leave me  
And I don't know why  
You said goodbye  
Only if I try  
Can I feel the earth beneath me  
And as days go by  
I come alive

The fall of your hair  
The feel of your skin  
And the smile on your face  
As you took me in

Now I lie  
And stare at the sky  
Still I wonder why  
I don't know why

You said that you'd release me  
No matter how I try  
I still feel you

I watched a falling leaf  
Drifting down towards me

Carried by the wind  
It disappeared

I sat in disbelief  
At what had become of me  
And as the day grew dark  
I rose to go

And as I walked along  
I thought I heard you call me  
Alas I was alone  
So I went home

The fall of your hair  
The feel of your skin  
And the smile on your face  
As you took me in

Now I lie  
No longer cry  
But still I wonder why  
I don't know why  
You were taken from me  
I cannot forget  
Or say goodbye
