

# I Got Woken Up

Colin Hay

I don't need anybody, I don't carry a gun  
I don't need to feel sorry, for the things I have done  
Everything's about to start, I can feel it in my bones and my heart  
And I'm not even in the race

I woke up, yes I did, I woke up I've been asleep too long  
I woke up, I got woken up, I woke up

I don't care for religion, yeah that is my sin  
If I come knockin', I know he'll let me in  
Now I don't have my cap in my hand, gonna stop here and see where I stand  
Got a smile back upon my face

I woke up, I got woken up, I woke up, I'm gonna strap myself in  
I woke up, yes I did, I woke up  
I woke up, I got woken up, I woke up, yeah

Now I like this body, and I'm safe in my skin,  
And I do love this feeling, and the shape that I'm in  
Every sun brings a brand new day, well so what, I don't care to hear you say  
Well I no longer lead the chase

I woke up, I got woken up, I woke up, I got woken up yeah  
I woke up, it's time to rise and shine, I woke up, this day is mine  
I woke up, woken up, I woke up, woken up, it's time to rise up  
I woke up, woken up, I woke up, woken up, I woke up, woken up,  
woken up
