

# Storm in My Heart

Colin Hay

I still go under  
I don't know why  
Storm in my heart  
Tearing me apart  
Storm in my heart  
About you

Sometimes the sun shines  
Here comes the flood  
Through both the good and the bad times you do  
Stir up my blood  
And I got

Storm in my heart  
Tearing me apart  
Storm in my heart  
Stir it up

Storm in my heart  
Tearing me apart  
Storm in my heart

Sometimes I wonder  
As I lie on my bed  
Can I hear thunder  
Or am I confused  
With what lies ahead  
And I got

Storm in my heart  
Tearing me apart  
Storm in my heart  
About you  
About you  
Storm in my heart  
Storm in my heart
