

Storm in My Heart

Colin Hay

I still go under
I don't know why
Storm in my heart
Tearing me apart
Storm in my heart
About you

Sometimes the sun shines
Here comes the flood
Through both the good and the bad times you do
Stir up my blood
And I got

Storm in my heart
Tearing me apart
Storm in my heart
Stir it up

Storm in my heart
Tearing me apart
Storm in my heart

Sometimes I wonder
As I lie on my bed
Can I hear thunder
Or am I confused
With what lies ahead
And I got

Storm in my heart
Tearing me apart
Storm in my heart
About you
About you
Storm in my heart
Storm in my heart
