

# These Are Our Finest Days

Colin Hay

I can't say that I'm the only one  
Who's been the lonely one  
This could not be further from the truth

I want to run, into the burning sun  
and I'm not the only one  
stare up at the sky and think of you

I want to drive as fast as I can  
Into some open land, bay up at the moon  
make love to you

Wanna stay alive cause this life's all I know  
its never dull or slow  
If I had the chance, I'd do it all again

You must believe me, believe me when I say  
These are our finest days  
I want to hold you, as tight as I can  
I want to see your face
