

# Baby It's Cold Outside

Colin James

I really can't stay  
Baby, it's cold outside  
I've got to go away  
Baby, it's cold outside

This evening has been  
Been hoping that you'd drop in  
So very nice, I'll hold your hands  
They're just like ice

My mother will start to worry  
Beautiful, what's your hurry  
My father will be pacing the floor  
Listen to the fireplace roar

So really I'd better scurry  
Beautiful, please don't hurry  
Well maybe just a half a drink more  
Put some music on while I pour

The neighbors might think  
Baby, it's bad out there  
Say what's in this drink  
No cabs to be had out there

I wish I knew how  
Your eyes are like starlight now  
To break this spell  
I'll take your hat, your hair looks swell

I ought to say no, no, no, sir  
Mind if I move a little closer  
At least I'm gonna say that I tried  
What's the sense in hurting my pride  
I really can't stay, baby, don't hold out  
Ah, but it's cold outside

C'mon baby  
I simply must go  
Baby, it's cold outside  
The answer is no  
Ooh baby, it's cold outside

This welcome has been  
I'm lucky that you dropped in  
So nice and warm  
Look out the window at that storm

My sister will be suspicious  
Man, your lips look so delicious  
My brother will be there at the door  
Waves upon a tropical shore

My maiden aunt's mind is vicious  
Gosh your lips look delicious  
Well maybe just a half a drink more  
Never such a blizzard before

I've got to go home  
Oh baby, you'll freeze out there  
Say, lend me your comb  
It's up to your knees out there

You've really been grand  
Your eyes are like starlight now  
But don't you see  
How can you do this thing to me?

There's bound to be talk tomorrow  
Making my life long sorrow  
At least there will be plenty implied  
If you caught pneumonia and died  
I really can't stay, get over that old out  
Ah, but it's cold outside

Baby, it's cold outside

Brr it's cold, it's cold out there  
Can't you stay awhile longer, baby  
Well, I really shouldn't alright  
Make it worth your while, baby  
Ah, do that again
