Colin James

Uh huh huh
Cha shooky doo
Uh huh huh
Cha shooky doo

I love you
I love you, yes, indeed
Whoa whoa whoa, I love you
I love you, yes, indeed
You know that I love you and I need you too
I'll set the world on fire for you

Uh huh huh
Cha shooky doo
Uh huh huh
Cha shooky doo

Well, I need you
I need you, yes, indeed
Oh, baby, don't you know I need you?
I need you, yes, indeed
I'll tell your mama and your papa too
I'm gonna spend my whole life with you

Uh huh huh
Cha shooky doo

Well, I need you
I need you, yes, indeed
Oh, baby, don't you know I need you?
I need you, yes, indeed
Well, your mother told you both night and day
Don't you let that man slip away

Uh huh huh
Cha shooky doo
Uh huh huh
Cha shooky doo

Well, I need you
I need you
Baby, don't you know?
Look at you
Cha shooky doo
Look at you
Cha shooky doo
