

Let It Snow

Colin James

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go

Let it snow
Let it snow
Let it snow

It doesn't show signs of pause ping
And I've bought some corn for popping
The lights are turned way down low

Let it snow
Let it snow
Let it snow

When we finally kiss goodnight
How I'll hate going out in the storm
But if you'll really hold me tight
All the way home I'll be warm

The fire is slowly dying
And, my dear, we're still good-bying
But as long as you love me so

Let it snow
Let it snow
Let it snow
