

Please Come Home For Christmas

Colin James

Bells will be ringing this sad sad New Years
Oh, what a Christmas to have the blues
My baby's gone, I have no friends
To wish me greetings once again

Cries will be singing Silent Night
Christmas carols by candlelight
Please come home for Christmas
Please come home for Christmas

If not for Christmas, by New Years night
Friends and relations send salutations
Sure as the stars shine above
But this is Christmas, yes, Christmas, my dear

The time of year to be with the ones you love
So won't you tell me you'll never more roam?
Christmas and New Years will find you home
There'll be no more sorrow no grief and pain

And I'll be happy, happy once again
Oh, there'll be no more sorrow, no grief and pain
And I'll be happy, Christmas once again
