Saviour, saviour Saviour, saviour

Gotta get to the river, gotta make it to the other side Gotta get to the river, gotta make it to the other side Take me to the river, help me get to the other side Get me to the river, gonna make it to the other side

Fuck my saviour

Saviour, saviour Saviour, saviour

When I'm breaking and I'm shaking and I'm looking for the river side

Shaking on this faking, help me get to the other side When I'm breaking and I'm shaking, trying to get to the other s ide

Take me to the river, come on, take me to the other side

Fuckin' saviour Fuckin' saviour

Help me

Saviour, saviour Saviour, saviour

I gotta get to the river, gotta make it to the other side Nobody knows where the riverside will run Somebody saw the saviour down by the river Somebody tell me when the saviour comes

Where, where, where Where is that saviour? Where, where, beware

Where is that saviour? Where is that saviour?

Saviour, saviour Saviour, saviour

Fuckin', fuckin', saviour
