

# Surely (i Love You)

Colin James

Surely  
Surely  
Surely  
Surely

I, I, I, I,  
Well I love her  
V-v-love her  
V-v-love her  
V-v-love her  
V-v-love you

Come rain, come snow, come a-come sunshine  
Your love would stop the rain  
It would melt the snow  
Girl your mine  
Mine  
And all I've got to say  
Ah when I feel this way  
Is that I, I  
I love her  
V-v-love her  
V-v-love her  
V-v-love her  
V-v-love you

Well I love you because  
Darlin' you're so real  
You show this heart of mine  
How real true love it ought to feel

Surely  
Surely  
Surely  
Surely

I, I, I, woah!  
Watch it now

I love you because  
Honey you're so real  
You show my achin' heart  
How real true love it ought to feel

Surely  
Surely  
Surely  
Surely  
I, I, I, I  
Well I love her  
V-v-love her  
V-v-love her  
V-v-love her  
V-v-love you
