

All That I Know

Collective Soul

In these lazy days
I barely see myself through
I lay here comfortable
My thoughts wrapped around you
I've got a lot on my mind
It's always you every time

You're all that I know
When the sun goes down
You're all that I know
When the sun comes
Rising like the devil in me
And when tomorrow wakes
It's sure to show
You're all that I know

These quiet nights
They nurture me to a bore
The only strength I find
Is when I'm wanting you more
I've had a lot on my mind
It still was you every time
