-----

Why drink the water from my hand?  
Contagious as you think I am  
Just tilt my sun towards your domain  
Your cup runneth over again

Don't scream about  
Don't think aloud  
Turn your head now baby  
Just spit me out  
Don't worry about  
Don't speak of doubt  
Turn your head now baby  
Just spit me out

Why follow me to higher ground?  
Lost as you swear I am  
Don't throw away your basic needs,  
Ambiance, and vanity

Don't scream about  
Don't think aloud  
Turn your head now baby  
Just spit me out  
Don't worry about  
Don't speak of doubt  
Turn your head now baby  
Just spit me out

December promise you gave unto me  
December whispers of treachery  
December clouds are now covering me  
December songs no longer I sing

Don't scream about  
Don't think aloud  
Turn your head now baby  
Just spit me out  
Don't worry about  
Don't speak of doubt  
Turn your head now baby  
Just spit me out
