Good morning, sunshine. Bring on your pain
Oh sweet Jesus I swear I'll ...I'll never taste it again
Not tonight.....Not tonight...

(Chorus)

Oh no OK so let's go I can live my life in slow mo
I think I was your boyfriend once though
But I was fuzzy then Yeah, fuzzy, oh! (Back to Intro)

Twinkling starlight .Yeah it's time to write
why - here - it's now or never Cuz it's my time to shine
not tonight... Not tonight...

(Back to Chorus 2 xs)

(Bridge 2 xs)

I can't shake it, I just can't shake it
I can't shake it, I just can't shake it
Tonight No, not tonight (YEAH) (2x)

Not tonight.... .Not tonight...

(Back to Chorus)

(Below Same chords with chorus)

Oh no Oh no OK so let's go
We won't this life in slow mo
You know we're all just pissed here, though... YEAH

Fuzzy again... Fuzzy my friend
Fuzzy my friends YEAH!
