

## Giving

## Collective Soul

Giving me cause so I may yearn  
Giving me words so I may learn  
I want more I want more  
Giving me thoughts that I may keep  
Giving me dreams so I may sleep  
I want more I want more  
Still all I need is love  
So give me more

Giving me calm to fall into  
Giving me hope to guide me thru  
I want more I want more  
Giving me light to see thru tears  
Giving me strength to crush my fears  
I want more I want more  
Still all I need is love  
So give me more

I won't break you down  
I won't bring you down anymore

Giving me choice so I may seek  
Giving me faith so I'll believe  
I want more I want more  
Giving me breath of your mercy  
Giving yourself to comfort me  
I want more I want more  
Still all I need is love  
So give me more
