

In Between

Collective Soul

In between us Good and Evil wait
To lie beside us In our bed we make
In between us Caution never heeds
We prey on weakness Then beg for sympathy

Chorus:

In between words
Silence parades so confusion is heard
Our voices afraid To speak up and reassure
So in between words we remain
In between

G C Am7 C (x2)

In between us Hope we've yet to see
We long for healings But the scars never leave

Chorus

Silence fills the void Of love and hate
An effective tool When used to Separate

G C Am7 C (x2)

Now separate

Chorus (x2)
