

Lighten Up

Collective Soul

Oh, you think it but you can't believe
So you say it's like that
Yeah, you see it but you can't be seen
Now is it like that?

So, hey, hey, hey, yeah, where you coming from?
Hey, hey, hey, we are all an equal some
Hey, hey, hey, you got the attitude
That everything's important 'cause the news is always new to you

You're not underground
You're just silly now
Oh, my foolish pup lighten up
Yeah, yeah, yeah, yeah, lighten up

Hey, you want it but you can't receive
So you say it's like that
Hey, you know it but you can't agree
Now is it like that?

So, hey, hey, hey, yeah, where you coming from?
Hey, hey, hey, we are all an equal some
Hey, hey, hey, you got the attitude
That everything's important 'cause the news is always new to you

You're not underground
You're just silly now
Oh, my foolish pup lighten up
Yeah, yeah, yeah, yeah, lighten up

You're not underground
You're just silly now
Oh, my foolish pup lighten up
Yeah, yeah, yeah, yeah, lighten up

Be careful with the tongue
Then softer with the words you choose
Take your time, take your time
Take your time to find your own groove

Hey, hey, when information comes around
Hey, hey, well, let a message be found
Hey, hey, has your conviction sold out?
Hey, hey, has your conviction sold out?

You're not underground
You're just silly now
Oh, my foolish pup lighten up
Yeah, yeah, yeah, yeah, lighten up

You're not underground
You're just silly now
Oh, my foolish pup lighten up
Yeah, yeah, yeah, yeah, lighten up

Yeah, yeah, yeah, yeah, lighten up
Yeah, yeah, yeah, yeah, lighten up

Yeah, yeah, yeah, yeah, lighten up
