## Collective Soul

I'm sleeping to encompass myself  
I wake up then distribute what's left  
With my anger well defused  
The link to love I now may choose  
With my heart no more abused  
The link of love I now may use

I'm sleeping to develop myself  
I wake up then rel;inquish what's left  
With my anger well diffused  
The link to love I now may choose  
With my heart no more abused  
The link of love I now may use

I was caught by your lies spinning  
then was saved by truth's opinion  
All's quiet now
