

Perfect Day

Collective Soul

I taped this and tried to work it out and
here is my interpretation of "Perfect Day".
always listen to the music and close your eyes
and feel the feeling and then you can put your hands to use.

-- Prayogo

there she stumbles falling to her knees
i think she tripped on reality
i have witnessed tragic comedies
that's the world in which she leads

well i would walk a million miles
to give her all that she nedds
but she would walk a million more to do what she believes

she'll have a perfect day

troubles blooming, innocence now fades
still she's dry through all the rain
there's no purpose she has yet to crave
she's like the big dog on parade

well i would walk a million miles
to give her all that she nedds
she would walk a million more to do well as she pleased

she had a perfect day

i can't figure this one out
i've no words here to explain

she'll just sugar kiss me off
she'll just have another perfect day

After this Sir Elton John played his piano

well i would walk a million miles

to give her all that she nedds
she would walk a million more to do well as she pleased

she had a perfect day
