

# Run

Collective Soul

verse:

are these times contagious?  
ive never been this bored before  
is this the prize ive waited for  
now with the hours passing  
theres nothing left here to insure  
i long to find a messenger

chorus:

have i got a long way to run?  
have i got a long way to run?  
yeah i run  
yeah i run

verse:

is there a cure among us?  
from this processed sanity  
i waken with each voice that sings  
now in this world of purchase  
im going to buy back memories  
to awaken some old qualities
