

Run

Collective Soul

verse:

are these times contagious?
ive never been this bored before
is this the prize ive waited for
now with the hours passing
theres nothing left here to insure
i long to find a messenger

chorus:

have i got a long way to run?
have i got a long way to run?
yeah i run
yeah i run

verse:

is there a cure among us?
from this processed sanity
i waken with each voice that sings
now in this world of purchase
im going to buy back memories
to awaken some old qualities
