

# Smashing Young Man

Collective Soul

Beggar's description  
Of what I've been missing  
Exploit your position  
Don't think I didn't listen  
Hey I hope you're feeling  
A little better now

Success is so tragic  
Pain is your gadget  
Your tongue's just lashing  
Just bitching by habit  
Hey I hope you're feeling  
A little purer now  
Hey I hope you're feeling  
Securer now

Help me I plea  
I don't understand  
Your ways and means  
You smashing young man  
Help me to see  
The good you have planned  
You're wearing thin  
You smashing young man

You preach synthetic-like  
Peace is an oversight  
It's nothing to ignite  
Your self-lit spotlight  
Hey I hope you're feeling  
A little special now  
Hey I want to tell you  
I think you're special now

I don't recall asking for guidance  
I don't recall wanting to  
I don't recall bowing before you  
But I'm so impressed  
With the kindness in your attitude
