Smashing Young Man

Collective Soul

Beggar's description Of what I've been missing Exploit your position Don't think I didn't listen Hey I hope you're feeling A little better now

Success is so tragic Pain is your gadget Your tongue's just lashing Just bitching by habit Hey I hope you're feeling A little purer now Hey I hope you're feeling Securer now

Help me I plea I don't understand Your ways and means You smashing young man Help me to see The good you have planned You're wearing thin You smashing young man

You preach synthetic-like Peace is an oversight It's nothing to ignite Your self-lit spotlight Hey I hope you're feeling A little special now Hey I want to tell you I think you're special now

I don't recall asking for guidance I don't recall wanting to I don't recall bowing before you But I'm so impressed With the kindness in your attitude
