Collective Soul

I'm touching high and convictions strong  
You've got that .. side shade groove like a bomb and disarm ..  
Yeah my piston's high, and your engine roars  
It's a tight turn baby that can't be ignored

Got to go, Got to go where this song leads  
Got to go, Got to go where this high leads

How am I gonna leave you in a moment like this?  
How am I gonna leave you when I want you like this?  
How am I gonna leave you when I love you like this?  
How am I gonna leave you when I love you like this?

Those crazy words mixed with truth and lies  
You're a camouflage trouble right before my eyes  
I see angels in blue, you see devils inside  
It's a new world order like a service denied ..

Got to go, Got to go where this song leads  
Got to go, Got to go where this high leads

How am I gonna leave you in a moment like this?  
Ooh ooh oh ooh, Ooh ooh oh ooh  
How am I gonna leave you when I want you like this?  
Ooh ooh oh ooh, Ooh ooh oh ooh  
How am I gonna leave you when I love you like this?  
How am I gonna leave you when I love you like this?

It's hard to settle in when your moving round, boy  
Your world lifts you up, they bring you down (Down)  
Down (Down)  
Down

Got to go, Got to go where this song leads  
Got to go, Got to go where this high leads

How am I gonna leave you in a moment like this?  
Ooh ooh oh ooh, Ooh ooh oh ooh  
How am I gonna leave you when I want you like this?  
Ooh ooh oh ooh, Ooh ooh oh ooh  
How am I gonna leave you when I love you like this?  
Ooh ooh oh ooh, Ooh ooh oh ooh  
How am I gonna leave you when I love you like this?  
How am I gonna leave you when I love you like this?
