So long why
Does it take so long
What if I wait for you
Am I the only one

So long what did it mean Turn around here and See if it breaks in two Am I the only one

Secrets turn your soul out I could always be there Make this all I turn around Suddenly What if it breaks in two Am I the only one

So long
Forget your going
So long
Show me there
I think you will
So long what did it mean
Why does it take so long
What if I break in two
Am I the only one

Secret tears your soul out I could always be there So suddenly Flying through the air Am I not the only one The only only only only only only I tell you Sometimes it hurts
