

Utopia

Collide

Underneath the stars
Where I
Underneath the stars
Breathe in
Where you are
Unraveling

Sensation
And I know you're there
Under the surface
Utopia
Unraveling
Utopia
Breathe

Somewhere out there
Where I am
Somewhere out there
I know you feel the same
Where you are
Breathe in

Sensation
And I know you're there
Under the surface
Utopia unraveling
Utopia
Breathe

Where you are
You've been traveling
And you're searching
As I lay sleeping
