

# I Think About You

Collin Raye

Everytime I see a woman on a billboard sign  
I think about you  
Saying "drink this beer and you'll be mine"  
I think about you  
When an actress on a movie screen  
Plays Lolita in some old man's dreams  
It doesn't matter who she is  
I think about you

When I see a pretty woman walking down the street  
I think about you  
Men look her up and down like she's some kind of treat  
I think about you  
She wouldn't dare talk to a stranger  
always has to be aware of the danger  
it doesn't matter who she is  
I think about

You eight years old  
big blue eyes and a heart of gold  
when I look at this world, I think about  
You and I can't help but see  
that every woman used to be  
Somebody's little girl, I think about you

Everytime I hear people say it's never gonna change  
I think about you  
Like it's some kind of joke, some kind of game  
I think about you  
When I see a woman on the news  
who didn't ask to be abandoned or abused  
it doesn't matter who she is  
I think about

You eight years old  
big blue eyes and a heart of gold  
when I look at this world, I think about  
You and I can't help but see  
that every woman used to be  
Somebody's little girl, I think about you

When I look at this world I think about you
