

# Little Red Rodeo

Collin Raye

Well the note said you've had time to think about it  
Looks like to me you're feeling kinda crowded  
You're not looking for anything permanent here  
So my Rodeo's packed and it's in goodbye gear

So I shot down to the Longhorn Diner  
Her sister works there and she'd know where to find her  
She said you did not hear this from me  
All I'll say is momma's got that place out in Monterey

Oh, how fast can I go  
Gotta catch that little red Rodeo  
She drove off with my heart I got to let her know  
Need the girl in that little red Rodeo  
Texas plates, candy apple red Rodeo

Two towns back I showed your photograph  
And the gas station man just started to laugh  
She said I might see you in this old bucket of rust  
And said "Good luck boy just follow that cloud of dust"

Oh, how fast can I go  
Gotta catch that little red Rodeo  
She drove off with my heart I got to let her know  
Need the girl in that little red Rodeo  
Texas plates, candy apple red Rodeo

Maybe I was stradling the fence just like she said  
It took her leavin' just to get it through my head  
She's the one and only it's over, that's it  
I'm committed I'm in love and I'm desperate  
She's a good ways gone but I'm closing the gap  
If I have to I'll chase her clear across the map

Oh, how fast can I go  
Gotta catch that little red Rodeo  
She drove off with my heart I got to let her know  
Need the girl in that little red Rodeo  
Texas plates, candy apple red Rodeo

Yeah, how fast can I go  
Gotta catch that little red Rodeo  
She drove off with my heart I got to let her know  
Need the girl in that little red Rodeo  
Texas plates, candy apple red Rodeo

Oh, how fast can I go  
Gotta catch that little red Rodeo  
She drove off with my heart I got to let her know  
Need the girl in that little red Rodeo  
Texas plates, candy apple red Rodeo
