

# Many A Mile

Collin Raye

I look down the road that winds in the distance  
And wonder where it might lead  
I only know it makes no difference  
As long as you walk with me

Many a mile we will travel, many a dream we will share  
Many is the time we will gladly take the long way there  
With every step we will draw closer and every turn our love will grow  
Take my hand, we have many a mile to go

True love is not a destination  
But one day we will arrive  
This is the journey we'll be taking  
For the rest of our lives

Many a mile we will travel, many a dream we will share  
Many is the time we will gladly take the long way there  
With every step we will draw closer and every turn our love will grow  
Take my hand, we have many a mile to go

There will be days forever missing  
On all the places our love has been  
There will be joy in knowing the best  
Is still around the bend

With every step we will draw closer  
And every turn our love will grow  
Take my hand, we have many a mile to go  
Oh, take my hand, we have many a mile to go  
Many a mile to go
