

# The Gift

Collin Raye

Winter snow is falling down  
Children laughing all around  
Lights are turning on like a fairy tale come true  
Sittin' by the fire we made  
You're the answer when I prayed  
I would find someone and baby I found you

And all I want is to hold you forever  
All I need is you more everyday  
You saved my heart from being broken apart  
You gave your love away  
And I'm thankful everyday  
For the gift

Watching as you softly sleep  
What I'd give if I could keep  
Just this moment if all of time stood still  
But the colors fade away  
And the years will make us gray  
But baby in my eyes you'll still be beautiful

And all I want is to hold you forever  
All I need is you more everyday  
You saved my heart from being broken apart  
You gave your love away  
And I'm thankful everyday  
For the gift

And all I want is to hold you forever  
All I need is you more everyday  
You saved my heart from being broken apart  
You gave your love away  
And I'm thankful everyday  
For the gift

Can't find the words to say  
Thank you for the gift
