

## All 4 Love

Color Me Badd

I'm so glad you're my girl  
I'll do anything 4 U  
Call U every night  
And give U flowers 2  
I thank the Lord 4 U  
And think about U all the time  
I ask him everyday  
That you'll 4-ever B mine  
I wanna hold your hand  
2 show U I'll be there  
I like 2 do the things  
That let U know I care  
I sing this lullabye  
'Cause girl U fill me full  
I look into your eyes  
You're so beautiful

Oh girl I think I love ya  
I'm always thinkin' of ya  
I want ya to know I do all 4 love  
I love it when we're 2-gether  
Girl I need you 4-ever  
I want U 2 know I do it all 4 love

I will never leave U sugar  
This I guarantee  
I look in-2 the future  
I see U and me  
Knight in shining armor  
I will B your fairy tale  
I wanna take care of U  
Girl, I'll serve you well  
I will B there 4 ya  
2 catch U when U fall  
I'll hold U in my arms  
That's were U belong  
I sing this lullabye  
'Cause girl U fill me full  
I look in-2 your eyes  
You're so beautiful... beautiful... yeah!

Come here sweetheart  
I want U 2 know something alright  
Everyday N my life without U  
Is like a hundred years  
The distance B-tween us  
An ocean of ears  
See all the things I do 4 U
