

Close To Heaven

Color Me Badd

You know you're the only one for me
The thought of you picks me up when I'm lonely
I get all crazy when you call out my name
I'm close to heaven when you're touching me

You've said that you love me, girl, I know it
I feel the same but still so afraid to show it
I get all crazy when you call out my name
I'm close to heaven when you're touching me

It's gotta be love (love), sweet love (sweet love)
Whenever you near me (whenever you near me), ooh you make me happy baby
Love (love), sweet love (sweet love)
Whenever you near me (whenever you near me), ooh you make me happy baby

Mi volvo loco pensandio en tu amor
Cuando te veo temblo por tu calor
Sercaria serio alma te mi corazon
Mislalabios brillianos sonde mo sio

All I wanted, all I ever wanted was you and for you to love me
You keep me warm and you give me love, I know you're the one for me

(Querida), mi vida, sognando asi
Esta cancoy que estoy quantando e solo parati
Mi serte, toccarte besarte asi
Iiano lo aguantomas, heaven's only one kiss away
