**Color Me Badd**

Now we're talking 'bout the colors  
Yellow, brown, blue and white  
We need to stop the racism  
I'ts an endless fight  
See it never amuses me  
To see the battle through  
People see the world in a way  
That it suits em'  
If you can't color me badd  
Then don't color me at all  
Peace and unity.....
