## **God Is Love**

**Color Me Badd** 

Well I'm a east coast walkin' Travelin', a talkin' With a priority message today Don't let your blind faith Leave ya' Tomorrow may need ya' Just come on won't ya' Sing it with me Oh, can you feel the power Within your soul Ya' got it Got it, got Can ya' feel the power, yeah Can you feel the power Within your soul Love is God God is love Love is God God is Love Well I'm a east coast, west coast It don't matter to me We've been to both sides And everything in between Oklahoma City born With many places to go We got a lotta' things to say So many seeds to sow Come on and say I Say I know Say I know We can work it out Say we Say we know Say we know You can work it out Our love is starin'a revolution My love is startin' a revolution Your love is startin' a revolution Out love is startin' a revolution Our love is startin' a revolution Our love is startin' a revolution Ah you got, got To live Our love is startin' a revolution Your love is startin' a revolution Out love is startin' a revolution Our love is startin' a revolution Got it Can you feel the power now

Can you feel the power Within your soul

Love is God God is love Love is God God is love
