

# Heartbreaker

Color Me Badd

Girl...

Yo, why you wanna play me like that?

Girl...

Girl, every time I see you  
You're with a different man  
You tell 'em that you love 'em  
And then take every thing you can  
You're living life in the fast lane  
You're no longer daddy's girl  
Can't stay with just one man  
You gotta love them all around the world

I've got my eye on you  
And I know just what you are  
You're just an using girl  
You drive me like a car

You're a, money taker and a heartbreaker  
You'll never find yourself a true love to hold  
You're a money taker and a heartbreaker  
Your heart's just too cold  
Girl

Time keeps tickin' by you  
So you better make up your mind  
Won't ya let somebody love you  
For more than just one night  
You get everything you ask for  
So you have no need to steal  
We'd all be dead right now  
If pretty looks could kill

I've got my eye on you  
And I know just what you are  
You're just a using girl  
You drive me like a car

Girl, I know your fly but tell me why  
Must you even try to take what I have earned  
Just wait your turn, from what I see  
You got a lot to learn about life, being a wife or  
Even just being my girl  
It's false hype so word up, change your attitude  
You gotta learn to show some gratitude  
Yeah, I'm on your trip but girl don't flip  
Cause I'm hip to the way you trip so just skip  
All the fun and games, I know you're a faker  
Yo tell em what she is, a money taker

I've got my eye on you  
And I know just what you are  
You're just a using girl  
You drive me like a car

Yo, the B is not a fool so what do you take me for  
You think you're gettin' over, well take a look at the score

Yo 1, 2, 3, yep you're outta here, lettin' you go  
Savin' the rest of my tears, for someone who will  
Treat me right like I should be, not tryin' to break my heart  
Nor take my money, just like you drove me  
Then you been driven', so get out of my life  
And get in the hard livin'

Money taker and a heart breaker  
You'll never find a true love to hold, you're a  
Money taker and a heart breaker  
You're heart is just too cold
