I would like to go
i'd like to go to Paris in the spring
but my parents won't let me go
because they say i'm too young
and that's o.k.

but i've never been to France
now or never - go to go
i might just leave my house
and go out on my own

i would like to go
i'd like to see paris in the spring
but my parents won't let me go
because say i'm too young and
that's o.k.

but i've never been to france
never even got a chance
all i have to do is close my eyes
i'm there right now
i - i can see paris
i can see paris in my head
all the places in paris
i can see paris in my head

all i have to do is close my eyes
and i'm there right now

i - i can see paris
i can see paris in my head
i can walk through the streets
i can stop anywhere i want
i got paris in my head
i can be where i want
all i have to do is close my eyes
and i'm there right now

i might just leave my house
and go on my own
