

Combat 84

Combat 84

Ten hole DMs on your feet

Well polished and looking neat

Paramilitary is the score

We're the band Combat 84

No one's safe when we march by

That's why we won't fade and die

Short hair with braces hanging down

There'll always be a skinhead in town

[Chorus]

That's why we rule the street

That's why we've gotta be discreet

[Chorus]

Ten hole DMs on your feet

Well polished and looking neat

Paramilitary is the score

We're the band Combat 84

[Chorus]
