

I'm Alright

Combat 84

You're out late at night

And you're on the run

You're looking for a fight

'Cos you think it's all fun

[Chorus]

I'm alright and free of care

?????

I'm alright and we don't care

We don't care, we don't care

You've got nowhere to go

And you're out at night

You've got nothing to show

And you're looking for a fight
