

Trouble

Combat 84

Do you think your really hard when you scream at each other?

Do you think your really hard ????

Do you think your really hard ????

Dou you think your really hard when you end up dead?

[Chorus]

Screaming at each other

Kicks to the head

Brother against brother

Until you end up dead

(2x)

You prove the papers right by the way you f**king act

You prove the papers right when your sniffing glue

You prove the papers right and that's a sad fact

You end up on the floor beaten black and blue
