

How Old Is Your Soul?

Combichrist

Even at the gates of hell
Not forgotten, no regrets
It's in our hands but all for nothing???? say it's inside of me
They litter your eyes
Follow your soul
Why do you lie?
Swallow your craze
Fall to the ground
"Nobody cares" is all you say to me
"Follow through" is all you mentioned
Always feel it's all for him
Didn't fake it, sober now
It's all over now, there is no forgiveness
They litter your eyes
Follow your soul
Why do you lie?
Swallow your craze
Fall to the ground
"Nobody cares" is all you say to me
