Love Is A Razorblade

Combichrist

My eyes are black Tried hard to make 'em dead You were built that way You got a graceful lips And now you kissing my ribs It has to be this way Is it love? Razorblade! Love! Razorblade! Love! Razorblade! Love! Razorblade! You got a killing touch A fulfilling launch Bite with poison rage You're not killing me You're not scaring me Won't take my pain away Is it love? Razorblade! Love! Razorblade! Love! Razorblade! Love! Razorblade! You live inside my brain Control is the pain Can't live without When it's time to go You gotta let me know We gonna find a way What is love? Razorblade! Love! x7 Razorblade! Make love like a landmine We fuck like in war zone And do all those and hate you BRING IT ON! What is love? x5 Razorblade! Love! x7 Razorblade!
