

Today I Woke to the Rain of Blood

Combichrist

Last night my shadow went to heaven
My body is here
My soul in hell
Last night I killed
I can't remember
Who I killed and why I loved
Last night will never seem close to heaven
Today I Woke To The Rain Of Blood
A rain of blood (3x)

I Think I might have killed the world
But anyway I'm better off alone

A rain of blood (3x)

I Think I might have killed the world
But anyway I'm better off alone

I'm better off alone
