

Tractor

Combichrist

You are like a sports car.
you are so fast.
the smell of sex and money,
and you can go far.
But I am like a tractor.
I am slow but I am fit.
And eventually I'll find you,
and crush you like a little shit.
but I am like a tractor.
but I am like a tractor.
but I am like a tractor.
but I am like a tractor.
I am like a tractor.
(repeat for a really long time)
