Aaaah...

Aaaah...

Aaaah...

Welcome to Utopia
Life here is perpetual bliss
No cares, only happiness
Love never dies

Please stay in Utopia
With me, a perpetual kiss
We'll share, in Utopia
Love never dies

Aaaah...

Ooooh...

Love me in Utopia
That's all I require to survive
No cares, only happiness
Love never dies

Please stay in Utopia
With me, a perpetual kiss
We'll share in Utopia
Love never dies...
